ABOUT ME

With more than 3 years of experience working in the service industry and customer care field. Graduated with a bachelor's degree in Hospitality Management and Supply Chain Management, with my abilities and experience, ensuring the successful completion of assigned tasks. Desire to find a professional working environment, long-term commitment, and personal development. Besides, it brings success to the business.

The most recent achievement is successfully bringing the company 100 million VND in June by upselling service packages and membership cards, contributing 13.47% of the business's June KIP.
