WORK EXPERIENCE

• Marketing Intern at MDT Medical Technology Co., Ltd. (08/ 2022 -11/ 2022):

- Take on the role of a Marketing intern at the company, come up with ideas for SEO-standard articles, write articles on the website using many keywords related to the company's topics, check for plagiarism and spelling errors, helping the company's articles appear many times on the first search page of Google on topics such as: "Physical therapy, good remedies, tips for treating bone and joint pain..."

- Use software to support posting the company's articles to medical forums, Facebook pages, thereby increasing the percentage of customers accessing the article and spending time reading the article by 10%.

- Participate in creating and filming actual videos of interviews, advertising many physical therapy clinics.

- Use Adobe Premiere, CapCut, Canva software... to edit, cut and combine videos and images into a complete product for Saigon Tan Thuan General Clinic, helping the clinic become more widely known.

- Support the company in posting product videos on Youtube platform, writing vivid titles to attract viewers, thereby increasing the company's video views from a few hundred to a few thousand views.

• Marketing Intern at Cirila Silver Company Limited (02-04/2023)

-Receive daily tasks from Leader Marketing, work under the direction of Leader, support setting up livestream sales.

-Based on the monthly project, post product advertising articles on two platforms, Meta and Tiktok. Write detailed product descriptions, optimize search keywords to help customers easily access the company's products.

-"Note brief" livestream script, come up with ideas for banners, advertising images,... then hand over the "note brief" to the Design team.

• Tiktok Content Staff at Jumysie VietNam Company Limited (9/2023-4/2024):

- Coordinate with the Content team to plan content by month and day. Propose content suitable for each product criterion

- Write content for short video scripts on Tik Tok, with the criteria of being concise, catching trends, and creating excitement for viewers.

- Film and edit product introduction videos, create original sources to make short videos, have achieved 5-7 videos/week.

- Edit, cut,... short videos via CapCut PC/mobile application, create vivid, trend-catching videos, suitable for the company's criteria.

- Search and book KOC/KOL on TikTok.

- Perform other tasks under the direction of superiors.
