About Me

I am a biotechnology major with extensive knowledge in biological sciences and practical skills in molecular biology and bioprocessing techniques. Besides my technical knowledge, I am confident about my soft skill such as presentation, communication, and persuasion skills. Moreover, English communication is also one of my advantages. With the energy and determination of a teenager, I'm always eager to take on new challenges and improve myself.

Education

International University - VNUHCM
Bachelor of Biotechnology (2019 - 2024)
GPA: 3.2/4.0

Skills

Hard Skills:

- Handling Labwork
- Analyzing Experiment Results
- Handling Bioinformatics Tasks

Soft Skills:

- Communication
- Teamwork
- Time Management
- English (influence in reading and speaking)
