University of Social Sciences and Humanities

Major in English Language

WORK EXPERIENCE

February 2023 - May 2023

Onmyoji Battleground Finals

Logistics and Stage Manager

- Hand out tasks and support the team with the preparation of the event.
- Make quick adjustments and temporary solutions when some of the aspects the original plan didn't meet the expectation.
- Support and take care of ~100 audiences during the event.
- **Achievement:** The event was a huge success since not only did it help this game spread its popularity but also solidified the foundation of esports events in university in general.

October 2022 - January 2023

The Radiant One

Logistics and Check-in Staff

- Support ~150 participants with the check-in procedure.
- Take part in both stage and backstage preparation of the event: set up the PCs, check the internet connection, set up the seat for the audience, purchase the necessities...
- Take care of both team making to the finals of the event, the MCs and performers of the night.
- **Achievement:** It was the first time ever that we could pull off an FPS game event. Improvement as it might need, it was still a great opportunity for us to try out something new that nobody could do in the past.

INTERESTS

Reading books, listening to TED Talk, music or podcast and jogging are some of my all-time favorite pastimes. At some occasions, sight seeing can also be my priority as it's the best way to heal myself when I'm under plenty of pressure from my personal perspective.
