

DUONG BUI

EXPERIENCE

2024/March - Current

Home Tutor – At Home

- Developed time management strategies for students struggling with organizational skills, leading to more efficient study habits and higher productivity levels.
- Created an inclusive learning environment by addressing diverse learning needs and promoting a culture of respect and mutual understanding.
- Develop effective study strategies and organizational skills that have empowered students to become more independent learners.
- Worked closely with students to build their self-esteem and reduce test anxiety, resulting in a more positive attitude toward learning.
