

HUYNH LE THUY DUONG

Address: Tan Phu District, Ho Chi Minh City, Vietnam
Mobile phone: +84 899 304 159 | Email: td15012003@gmail.com

I am a final-year Business Administration student with hands-on experience in sales and customer relationship management. I have successfully led outreach efforts, built strong client relationships, and supported sales strategies through market research during my internships. With a proactive approach and strong communication skills in both English and Vietnamese, I am eager to contribute to impactful sales initiatives and drive business growth.

EXTRA ACTIVITY

Team Leader - Research Representative and Primary Responsibility

Oct 2023 - May 2024

University of Economics in Ho Chi Minh City (UEH)

Research topic: *Key Factors Of Facebook Affecting The Attitudes Of Gen Z Towards Menstrual Stigma In Vietnam: Business Implications For Menstrual Product Businesses*

- Directed a team in conducting quantitative and qualitative research, including surveys of 554 Gen Z participants and desk research on social media engagement.
- Analyzed key factors such as Facebook community groups, activist content, advertisements, and user reactions, using data-driven methods like exploratory factor analysis (EFA) and linear regression to assess their influence on attitudes towards menstruation.
- Synthesized findings to provide actionable business implications for menstrual product businesses, helping them adapt marketing strategies to align with the changing perceptions of Gen Z.
- Presented final research outcomes to an academic audience, demonstrating the critical role of digital platforms in challenging societal taboos and offering strategic insights for product marketing.
- Successfully identified the most influential factors shaping Gen Z's attitudes towards menstrual stigma, providing businesses with insights to refine their marketing approaches.
- Completed a rigorous data analysis process using SPSS software, achieving a 53.4% explanatory power for the research model.
