OBJECTIVE

I was a Vietnamese international student pursuing higher education at San Jose City College (SJCC) in San Jose, California, U.S.A. . I freshly graduated from San Jose City College and earned my Associate Degree for Transfer in Communication Studies in May 2024. I am an academic-driven individual who prioritizes my academic responsibilities, balances a work and study life, and maintains a good GPA of 3.8+. I am also heavily involved in campus clubs, organizations, student government, and volunteer work. I am strongly passionate about marketing, content creation, production, and management. I have about one year of experience with on-campus employment and club positions at San Jose City College, such as Marketing Intern, Social Media Manager, and Content Creator. I am an ambitious individual who always loves to learn new knowledge and skills, grow, and develop myself.

EXPERIENCE

MARKETING INTERN

San Jose City College.

Responsibilities encompass a multifaceted approach to content creation, aimed at informing and educating current and prospective students about the vibrant tapestry of SJCC, including its crucial events, dynamic clubs, and rich culture and traditions. Specialize in crafting visually appealing and informative materials, ranging from thrilling event photographs that capture the essence of memorable moments to engaging videos that convey valuable information. Design eye-catching posters that effectively communicate important details. This content is strategically disseminated across platforms such as TikTok, Instagram, and Facebook, enhancing SJCC's online presence and fostering a sense of community among our diverse audience.

STUDENT AMBASSADOR

San Jose City College.

Greeting and addressing inquiries from both domestic and international students, offering guidance on a variety of topics such as classes, travel, and immigration status. Helping students schedule appointments with academic and non-academic counselors, ensuring they receive the support they need. Serving as the program's social media manager, overseeing content creation and management on platforms like Instagram and TikTok Arranging and carrying out a variety of field trips and events on campus while liaising well with other departments. Exhibiting precise data entry and file system management, maximizing information accessibility, and simplifying administrative duties. Developing and maintaining solid relationships with the campus community, which raised student satisfaction. Assisting in increasing enrollment rates by organizing virtual information panels, orientation tours, and interactions with potential students.

STUDENT ASSISTANT

San Jose City College Student Success and Retention Center.

Addressing students' fundamental needs. Responsibilities encompass providing guidance and support related to essential aspects of student life, including but not limited to access to food, housing, clothing, transportation, and mental health resources. Being a reliable point of contact for students, offering clarity and assistance when it comes to navigating the complexities of basic needs. Answering inquiries or facilitating the completion of required forms to access essential resources. Ensuring that students have the support and information they need to thrive.
