OBJECTIVES

To leverage my expertise in educational management and language instruction to lead a dynamic team in delivering high-quality language programs. I aim to drive student success, enhance operational efficiency, and expand the center's reputation as a leading provider of language education in a competitive market

EXPERIENCE

Year(s) of Experiment: 6

Current Level: Manager

6/2017 - Now : ADMISTRATIVE MANAGER - TNHH NGOẠI NGỮ QUỐC TẾ Á CHÂU - Full time

As the Administrative Manager at ACE, I was responsible for overseeing daily operations, ensuring the delivery of high-quality language instruction, and managing a team of 15 teachers and staff. I developed and implemented curriculum enhancements that led to increase in student satisfaction and retention. My role also involved coordinating with parents and students to address any concerns, and managing the center's budget to ensure financial efficiency. Additionally, I spearheaded marketing campaigns that resulted in growth in new student enrollments over one year. I possess English communication skills, enabling me to effectively interact with both staff and foreign teachers. I am proficient in coordinating with international educators, including scheduling classes, organizing teaching plans, and conducting performance evaluations. My ability to communicate in English ensures seamless collaboration and efficient management of teaching schedules and assessments
