ABOUT ME

I am a cheerful individual, eager to learn, and quick to grasp new knowledge. I possess excellent communication skills, which I believe will be a significant asset in my role as a Software deployment

EDUCATION

INFORMATION TECHNOLOGY; MAJORING IN INFORMATION SYSTEM

HO CHI MINH CITY UNIVERSITY OF TECHNOLOGY

2020 - 2024

OBJECTIVE

- Short-term goal: I want to become a proficient Software deployment; eager to learn more skills and gain more experience
- Long-term goal: After two years, my fervent aspiration is to ascend to the role of a Software deployment leader
- I am willing to attend additional training courses to further enhance my skills and experience when embarking on internships or formal employment
