

HCM - Mr.

Le Quang Tuan

Customer Service - Technical Support.

EXPERIENCE

01/2023-07/2023	Pharmaceutical Customer Service Sector. Huyen Pharmacy During my six-month tenure at a pharmacy, my primary responsibility was to provide support to patients. I assisted them in various ways, including offering guidance on medication usage and recommending health food products. Additionally, I gained a fundamental understanding of the sales aspect, particularly in selling drugs and health food items.
08/2023-05/2024	Customer Service Specialist (Technical Support Role). Concentrix Limited Company Providing complete assistance in 100% line English to ensure a seamless travel experience for passengers. I had 6 months on Night shift. Facilitating communication between guests and partners to address minor issues through inbound, outbound, email, chat, and messaging on a variety of topics including travel advice, changes, cancellations, and complaints. Delivering precise, reliable, and thorough information utilizing appropriate tools, techniques, and procedures. Promptly reporting critical incidents or inconsistencies. Upholding exceptional customer service standards and ensuring a favorable guest experience. Proactively staying informed about customer service practices. Supporting passengers worldwide with flight-related inquiries in my capacity at IATA.

EDUCATION

11/2017-12/2022	Bachelor of Pharmacist. GPA: 8.26/10 Faculty of Pharmacy - Background English Languages.
-----------------	---

CERTIFICATES

04/2018-Present	MOS Microsoft Office Specialist (MOS) I possess a MOS 2010 certificate, and in addition to that, I have also kept myself updated with the latest versions of Word, PowerPoint, and Excel, namely 2013, 2016, and 2019. I have acquired this knowledge from my teacher, whose tutorials can be found on the official Hocict channel on YouTube. With a basic level of proficiency, I am adequately equipped to handle job responsibilities.
-----------------	---

OBJECTIVE

I have one year of experience in customer service and am eager to continue my career in this field, particularly in customer or technical support, where I can assist clients promptly. I am a quick learner and believe that the key to effective customer support is to empathize with customers while maintaining a professional attitude. My objective is to provide reliable assistance to customers, and I am confident in my abilities.
